### HOLY LAND

*Israel Reopens!*

Typically, pilgrimages to the Holy Land to walk in the Footsteps of Jesus depart almost weekly at 206 Tours - however Israel's border has been closed to travelers for so long, that it has been two years since the last time a 206 Tours Pilgrim has foot in the Holy Land. We are thrilled to be sending our first groups back in just a few weeks!

### HISTORIC EVENT

*Oberammergau Passion Play - The Show Must Go On!*

Every 10 years, the small Bavarian Village in Germany called, Oberammergau, puts on its world famous Passion Play! This reenactment of Christ's Passion has a 400-year-old history which began in 1633 in the face of the "Black Death" facing the region. The townspeople made a promise to God to put on this play every 10 years if they would be spared from the plague. 2020's performances where postponed due to a new virus, however we faithfully look forward to the performances that will take place this year. The play will run from May to October 2022, and 206 Tours offers a variety of Pilgrimages that will coincide with your Oberammergau experience. **Space is extremely limited!**

*"The pandemic changes everything, the view on the Play and the staging. Still - that's what's great about it - it's a great narrative with great themes that have survived centuries. It will also survive Covid-19. The plague as the core of its origin story naturally gives the Play this very special character, which has a lot to do with the pandemic anyway."*
