The cathedral was formed of Galician granite, one of the finest architectural examples in Europe as it encompasses Romanesque, Gothic, and Baroque styles. Additionally, it contains numerous and valuable pieces of art that truly captivate the eye. When entering, the tradition will lead, as you will hug the dazzling statue of St. James. While en-route, a stop be made in Astorga to visit the Bishop's Palace built by Antonio Gaudi, which holds the Museum of El Camino. Later this afternoon, enter Galicia by way of the city, Lugo. Day 4, Fri, Feb 21: Madrid & Toledo

After breakfast, we will enjoy a tour of Madrid which includes the Royal Palace and Plaza Mayor. A visit to Toledo will be next. Toledo, located on a rocky mound isolated on three sides right by a looping gorge of the Río Tajo. Every available inch of this outcrop has churches, synagogues, mosques, and houses heaped upon one another in a haphazard spiral, which the cobbled lanes infiltrate as best they can. Toledo is known as the city of the Three Religions or Cultures. For many centuries the Christians, the Moors, and the Jews lived together in relative equality and peace. The city surrounded by walls hides great treasures: its beautiful Church of Santo Tomé, the Tránsito Synagogue, Santa María la Blanca Synagogue, the Church of San Juan de los Reyes, Puerta de Bisagras, Puerta del Cambrón, Puerta del Sol, etc. We return to Madrid for dinner and overnight.

Day 5, Sat, Feb 22: Madrid - Zaragoza - Montserrat

This morning, following breakfast, depart for Zaragoza. While in Zaragoza, you will have the opportunity to visit the magnificent Basilica del Pilar, built upon the site of where Our Lady appeared to St. James. In 44 A.D., St. James, the Greater was spreading the Gospel in Spain, making very little progress and questioning his mission.

According to Catholic Tradition, the Virgin Mary, who was still living in Jerusalem, bi-located and appeared to St. James the Greater to boost his morale. While inside the Basilica, you will view the pillar carried by angels, and from atop Our Lady appeared. After the visit to the Basilica del Pilar, continue to La Seo Cathedral (Cathedral of Zaragoza) formally known as the church of San Vicente. The Visigoth period contains architectural elements of Gothic, Mudejar, Renaissance, and Baroque styles. In addition to the famous cathedral, Zaragoza is known for its folklore and local gastronomy. Both will be explored during the walking tour of the city. Continue to Montserrat, home to the miraculous Black Madonna, for dinner and restful overnight.

Day 6, Sun, Feb 23: Montserrat

After breakfast, we visit the Shrine of Our Lady of Montserrat, located on a rugged mountainside. According to Catholic tradition circa 50 A.D., St. Luke carved the statue of the Black Madonna and brought it to Spain. While in Spain, it kept hidden from the Moors and later was discovered by shepherds. In 880 A.D., shepherds and the Bishop of Manresa were drawn to a grotto by a bright light and heavenly music. Upon discovery of the Black Madonna statue, the Bishop of Manresa suggested to move it to Manresa. However, the statue was too heavy and could not be lifted. As a result, the Virgin remained in Montserrat and continued to be venerated there for centuries. As years progressed, several chapels were built upon the site. In the eleventh century, the abbot-bishop Oliba founded the Monastery on Montserrat next to one of these chapels. Dinner and overnight.

Day 7, Mon, Feb 24: Montserrat - Manresa - Barcelona

This morning travel to Manresa to visit the Sanctuary of Saint Ignatius of Loyola and the Holy Cave where St. Ignatius lived. Continue to Barcelona where you will enjoy a sightseeing tour of this charming city! Enjoy the stunning panoramic views of the Port of Barcelona, Montjuic, Plaza de España, and Plaza de Catalunya. This port created some 2000 years ago in the coastal area to protect and provide access for ships to bring in goods. Currently, it is home to numerous walking areas, businesses, cultural and sporting events. Plaza de España is right outside the center of town, formerly known for its old bull-fighting ring. Presently, the Plaza is renowned for containing the Museum of Catalan art, situated on the side of Montjuic. Plaza de Catalunya is located in central Barcelona and is known for its fountains and statues. Your day of touring will continue with a guided walk through the Gothic Quarter containing remains from an ancient Roman village, including the Cathedral of Barcelona. We will continue to the Eixample quarter to visit Antoni Gaudi's stunning, unfinished Roman Catholic Basilica, La Sagrada Familia. Farewell dinner and overnight in Barcelona.

Day 8, Tue, Feb 25: Return Home

Early morning transfer to Barcelona airport for your return flight(s) home. You will say 'hasta luego' (see you later) to your new friends made on this journey.

Or Extend your stay in Barcelona with adding additional overnights.
