

# One Country, One Land, The Holy Land

*“While floating on my back in The Dead Sea on June 21, 2023, the Holy Spirit whispered the solution: God is love!”*

- Author,  
Dr. George J. Ceremuga

My 50-Day Pentecost in the Holy Land offers the prophetic solution for peace in the Holy Land.

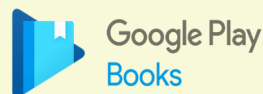

With our Love God logo on the “Holy Land” flag, we embrace “one country with open borders and equality for all.” The book echoes God’s proclamation to rename the country, “The Holy Land!”

George, thank you for writing this book that shares your wonderful experience in such delightful detail with love for all people, the way God commands us to love. Your example inspires me and others to love more people, more often with more intention. It’s really that simple. Lead with love.
